

Warranty and Support Policy 2025

Effective Date: 2025-01-15

Section 1: Hardware Warranty

All hardware products carry an 18-month manufacturer warranty from the date of delivery, updated from the previous 12-month period. Warranty covers defects in materials and workmanship under normal operating conditions. Accidental damage, liquid damage, and unauthorized modifications void the warranty.

Section 2: Software Warranty

Software products include 12 months of bug-fix updates at no charge. Feature updates and major version upgrades require an active subscription.

Section 3: Support Plans

Standard support: Mon-Fri 9am-6pm via email only. Response within 8 business hours. Premium support: 24/7 phone and email for \$199/month per account (previously \$299/month). Enterprise support: Dedicated account engineer, SLA-backed 1-hour response.

Section 4: Exclusions

Warranty and support do not cover: consumable parts, third-party integrations, on-site labour, or data recovery services.
